

Juaquin Mobley

Hillside Connection – Board Member

Vice President Programs, Community Works

Owner of the Community Barbershop & Hub

A Denizen of both Colorado Springs and New York Juaquin Mobley has a degree in merchandising and management, with several certifications from the Fashion institute of Technology (SUNY) located in New York City. He is currently the Vice President of Programs for Colorado Works, a community-based organization that facilitates government funded programs for at risk young adults in impoverished areas. Juaquin is owner of The Community Barbershop and Hub, located in SE Colorado Springs, a social enterprise/entrepreneurship that was recently awarded a Transforming Safety Initiative grant. The Transforming Safety Initiative, pioneered by the Colorado Criminal Justice Reform Coalition (CCRJC), *is a new approach to safety that provides grant funding for community-based crime prevention and small business lending to stimulate economic development. The Transforming Safety Initiative was created by HB17-1326.* Juaquin serves as Chair of the Member Committee on the CSBCC Board of Directors.
